

This 3D isometric floor plan illustrates a compact studio apartment. The layout includes a sleeping area with a double bed, a combined living and dining space, a small kitchenette, and a full bathroom. The room is furnished with a sofa, coffee table, dining table, and various storage units. The flooring is light wood, and the walls are white. The text labels are placed within their respective areas: 'Living/Bedrom Area' in the center, 'Kitchenette' in the lower right, and 'Bath' in the bottom right corner.
